## **RECOGNIZE SUCCESS WITH CHAKRA COMMUNICATIONS**

Human resources are the most valuable asset of any organization. Recognizing employees for their actions and the outcomes they create are an integral part of every organizations' communication requirements. Chakra's specially developed custom employee recognition fulfillment services create simple, immediate and powerfully reinforcing programs which reward and praise employees' achievements, adding to the individual's self-esteem and increasing the value of the organization.

### **Rewards Get Results**

Chakra's custom fulfillment service allows global companies to extend their recognition program worldwide, yet retain the personal touch of a custom award. The benefits of the Chakra reward program include:

- Immediate, tangible positive feedback for employees
- Sustained company-wide motivation
- Increased connection with employees
- A workplace that builds on success
- Improved employee morale and self-esteem

### **Personalize Your Praise**

At Chakra, recognition awards are produced quickly and economically and can be custom designed to reflect your organization or program objectives and can be personalized as required.

Chakra's recognition program allows you to present employees with professional, polished awards, using an existing template or creating a customized award. Chakra produces high quality awards from start to finish, including graphics, printing, mounting, framing, and seals.

A personalized, non-monetary award displayed in the employee's work environment provides a lasting reminder to the employee and peers of the accomplishment achieved. This constant visual reminder of achievement and company gratitude is often more highly prized by employees than even significant monetary gifts.

### **Choose Chakra**

- Chakra's recognition program offers:
- Custom, personalized designs and attractive, colorful, professional awards.
- Design experts ready to work with you and provide a variety of options including design, mounting, framing, and seals.
- Global reach and ease of implementation.
- Manageable costs and a higher return on your recognition dollar.
- Recognition solutions for all levels of your organization.
